## Dear Parents/Carers

This booklet outlines the extra curricular clubs and activities offered to the students of The Abbey School.

Students will be informed of any changes relating to clubs and fixtures as soon as is practically possible.

We look forward to your son/daughter joining us for one or more of these additional activities.

Note: There is a possibility that certain clubs may be formed in the middle of a term and therefore may not appear in this booklet. Likewise, some clubs may stop running for some reason. As a parent/carer it would be advisable to contact the school, on 01795 532633, if there is any doubt relating to the status of any of our activities.
